(*Designation*) Superintending Engineer, III Cir.

Bellary

*To The*

Chief Engineer, P.W.D.

Madras.

*Sir,*

I have the honour to forward herewith an estimate for Rs. 250/- for providing a hand pump to the well in the compound of the Superintending Engineer's residence Bellary for favour of sanction

(2) The fitting up a hand pump to the well is proposed as a great deal of difficulty is experienced in the present arrangements to lift water from the well by mote. It is frequently found impossible to obtain bullock and a mote and the premises are practically without water for days together

(3) The Executive Engineer, Bellary Division has been asked to submit provisional data statement of rent and it will be

be submitted on receipt. I am ordering the pump in anticipation of sanction as the inconvenience caused during this dry weather is ~~seriously~~ really serious

I have the honour to be,

Sir

Your most obedient servant.
